Welcome to the 2023-24 Season!

Hi all, and welcome back to the 2023-24 Skating Season. My name is Leslie and I have the pleasure of being your CanSkate Coordinator this year :) I am from Saskatchewan, and I am looking forward to meeting you all! Please make sure to read through the newsletters each month in order to be up-to-date on news and events.

CanSkate

CanSkate is on Mondays 6:15-7pm, and Thursdays 4:45-5:30. We will have signage for the doors where the skaters should enter when getting onto the ice. Their name tags will have a sticker color and that color will coordinate with which door they should enter. Please pick up name tags in the dressing rooms. You will find the assigned dressing room on the Canmore Recreation Centres TV screen.

Events:

There are a few Club events we'd like you to know about. **December 14** is the Winter gala and it would be great if all CanSkaters would participate in it. There are also two fundraising events - Fresh Evergreen Wreath and Swag sales and volunteering at the gate of the Banff Christmas Market. More information on these will be sent to you in the coming weeks.

Program Assistants:

Program Assistants help the coaches on the CANSkate session. We wouldn't be able to run our program without them! If you have skating experience and are interested in becoming a program assistant, please email me at musicalskates@gmail.com.

Thank you, and looking forward to a wonderful season! - Leslie
